**Subject:** Meet The Need Welcome Email

John ,

I am emailing to welcome you to Meet The Need family. I see you registered with us on 3/21/2015. You are well on your way to showing needs on your website. I am Maurice Jackson, your Member Services Representative. I just wanted to take the time to personally introduce myself and to offer support as you implement.

We are glad to have you becoming a part of an **exciting, growing** family of churches and ministries who want to see the body of Christ more engaged in serving others. There are thousands of organizations already near you using Meet The Need. Let us help you in making your volunteer, outreach, event, and case management/benevolence efforts more **efficient and effective**. It won't be long until you are showing needs on your website and taking full advantage of the many Meet The Need features to make your job easier! Don't hesitate to reach out to me if you need any support I look forward to hearing from you.

Blessings,

Maurice Jackson
