

Email to Members Requesting Monthly Gift information

Format: Email From MSR

To: Member

Subject: Meet The Need Monthly Gift

Hi _____ (Member Name),

Thank you for requesting more information about our new monthly gift option. We understand that a one-time annual gift isn't always the best option for you. So now we've made it even more convenient for you to give a Gift to MTN!

We have made it even easier to give!

We know that you are a not for profit organization just like MTN and sometimes it's harder to make a one-time annual donation. Along with this new system update we've made it possible for you to give smaller monthly donations to show your support as we continue to unite the body of Christ together!

Now setup your own monthly recurring gift to MTN!

- It's easier to get smaller amounts approved
- manage your own giving profile
- you pick your donation date

Our Non-profit ministry provides the management and communication tools needed to run all ministry, missions, and benevolence activities with ease. It is our desire to see technology never become a stopping point for any organization to operate at its best.

I am asking for you to join in with us by giving a financial donation that will allow us to continue to provide our services to help support the needs of local communities like yours. Your gift of any size will further enhance the vision of equipping churches and non-profits to reach those in need throughout the country. Gifts can be made [ONLINE](#) (one-time donation) or mailed to Meet The Need Ministries, 7853 Gunn Hwy #254, Tampa FL 33626
